YR's Slate Local Potluck

A "dime a dip" potluck dinner, sponsored by the Chaffey District Young Republicans, will be held at 6:30 p.m., Thursday, Aug. 27 in Upland Memorial Park.

Food, table service, and coffee will be furnished by YR members.

Jim Christensen, Republican candidate for the 72nd Assembly District, will give a brief talk covering state and local issues.

A rummage sale for Christensen's campaign will be held in Fontana at a later date. Persons attending the potluck are encouraged to bring items for the sale.

Dave Hopley, President of the YR's invites those who plan to attend to bring their children. Reservations should be made by calling 982-5581 or 982-8627.

Planners Deny Alta Loma Zone Change

(CNS) — A change of zone to allow smaller lots for a 95-acre parcel of land in the Alta Loma area, in the section covered by the Chaffey College Master plan, was refused Thursday Aug. 20 by the County Planning Commission.

The applicant was Beckman Enterprises. The request was for a change from residential zoning, with lots of 20,000 square feet for single family dwellings, to the same zoning with lots of 10,000 square feet. The property involved lies at the northwest corner of Wilson and Hermosa Avenues. A large scale housing development was reported planned for the site.

Leon Keding, of the planning department staff, reminded commissioners that they had put off a decision on the request twice before, awaiting a decision by the Board of Supervisors on a proposed change in the master plan for the Chaffey College area.

The change approved by Supervisors on Nov. 11, Keding continued, would provide a "transitional area" in the section north of 19th Ave. up almost to Banyan Ave. This would allow an average of 2.6 dwellings per acre, compared with the 1.2 units previously allowed. The latter density is to remain for all the rest of the area to the north.

The Beckman Enterprises request, Keding continued, would result in three or more units per acre and, in addition, the land is not within the section for which lower density was recommended by Supervisors.

The commissioners asked for any comment by persons for or against the request, but there was no one present to speak for either side.

"Let's stick to the master plan," said Commissioner J. H. Paterson, "or else all we've done so far will be a waste of time." He moved for denial of the rezoning, and the vote to deny was unanimous.

Upland Legion Team Trounces Detroit 7-0 in Little Rock

By Frank Allen
Arkansas Gazette

EXCLUSIVE TO THE NEWS FROM LITTLE ROCK, ARK. — Lean left hander Mike Price tossed a four hit shutout and his Upland teammates backed him with 11 hits here Tuesday night for a 7-0 victory over Detroit, Mich. in the final game of the first round of the American Legion World Series.

Price struck out 11 and was in trouble only once as he recorded his fourth straight low hit playoff victory.

Detroit lefthander, Rick Konick matched Price's shutout for four innings, but Upland reached him for five hits and four runs in the fifth.

Hard hitting Rollie Fingers started the inning with his second straight hit, a single, and scored when Price's single got past the Detroit center fielder. Jerry Regan's single brought Price across. Dave Shoji followed with another single and Don Kaltenbaugh's 350 double drove in both runners.

Upland scored three more runs in the seventh on an error and singles by Jeff Nisbet, Shoji and Mike Balboni. Detroit's only threat came in the fourth when Bob Sobbitch doubled and Charles Schmidt singled with two out. Left Fielder Fingers snared Fred Beauregard's looper near the line to end the threat.

Fingers hit each of his first three times at bat including two doubles. The first was a screaming liner that hit half way up the 12 foot fence at the 335 mark. Fingers is scheduled to start against Charleston, N.C. Thursday, Aug. 27. His opponent is due to be left-hander John Richards. The game will be played at 3 p.m. (PDT).

Upland threatens to make a run away of the race for individual batting honors with Price, (.706), Shoji, (.611), Fingers, (.500) and Don Wilcox (.471) among the top five contenders. All times at bat in both regional and national tournament count toward the selection of the legion's national batting champion.

Planners to Consider New Architectural Commission

A major item of business on the agenda for the Upland Planning Commission which meets at 7:30 p.m. Thursday, Aug. 27, is consideration of a text amendment which would establish a city Architectural Commission.

If established, the new commission would pass on the architecture of proposed building programs in the city for conformity to surrounding structures.

Until such a commission is established, a temporary Architectural Committee comprises Councilmen James L. Christensen, Ronald L. Rositter and City Manager Elwin Alder.

This group is tentatively scheduled to meet with representatives of major oil companies in the near future regarding the building of four new service stations within the city.

Planners will also consider a change in the membership of the Administrative Committee replacing the City Manager with his administrative assistant. The request was made by City Manager Elwin Alder in order to free him for other activities.

Two zone changes and three Conditional Use Permits will also be considered by the Planning Commission Thursday.

A zone change requested by Peter J. Rosi of Claremont from P-1-D (single family residential) to R-3 (multiple family residential) will be taken up at a public hearing. Property involved is 4.1 acres on the south side of Arrow Hwy., 650 feet west of Benson Ave.

Another public hearing will be held for a zone change requested by the Citizens National Co. and Nate Margolin for 3.7 acres at the southwest corner of Foothill Blvd. and Euclid Ave. The change requested is from R-3 to C-P)commercial-professional).

Conditional Use Permit requests on the agenda include a urequest by St. Joseph's Church for a half-acre area to be used for Sunday parking and at other times for a recreational area. The land is located on the east side of Fifth Ave. immediately south of the church property; a request for a rest home in an R-3 area on the east side of Fifth Ave., 230 feet north of Arrow Hwy.; and a one-acre parcel at the southeast corner of Mountain Ave. and 7th St. to be used for a sales and rental lot for campers and pick-up trucks.

Upland Democrats To Form New Club

There will be an organizational meeting of an Upland Democratic Club, 8 p.m. Thursday, Aug. 27, at 936 W. 7th St., Upland.

The club will operate, in active support, as a branch of the parent society, West End Democratic Club, concentrating in the city of Upland.

Ken Dyal, expressing regret that he could not attend due to committments to an important meeting on the Feather River Project, will appear before the Club at a later date. Some of his representatives, and a representative of the C.D.C. will, however, be present.

Upland Democrats, interested in becoming Charter members of this club, are encouraged to attend and help in the coming campaign.

Special Council Meeting Called

A special meeting of the Upland City Council will be held at 5 p.m. on Wednesday, Aug. 26, for the first reading of an ordinance establishing a new R-R (restricted - residential) zone.

The new zone, officially called R-3-3600, is for the new "garden type" apartments.

The second reading of the ordinance is expected at the next regular council meeting on Sept. 1.

Local Women Voters Slate Two Day Registration Drive

The League of Women Voters of West San Bernardino County are encouraging increased voter registration this year by holding a registration drive on Aug. 28 and 29 in downtown Upland. Another "get out the vote" drive is slated for Sept. 4 and 5.

Upland's registration booth will be set up at the corner of 9th St. and 2nd Ave. Two league members will man the booth. Friday, Aug. 28, the booth hours have been set from 3 p.m. to 6 p.m., while on Saturday, Aug. 29 they will open at 9 a.m. and close at noon.

The League of Women Voters is urging everyone to exercise their right as a citizen to vote on election day, Tuesday, Nov. 3, however, the league adds that every prospective voter should make sure he is duly registered.

You are eligible on election day if you will be:

1. At least 21 years of age.
2. A Citizen of the United States for 90 days.
3. A resident of
   a. California for one year
   b. San Bernardino County for 90 days
   c. Your precinct for 54 days
4. Able to read the California Constitution in English.
5. Able to write your own name (Exception made in case of physical disibility).
6. Duly Registered.

Citizens must register if:

1. Have never registered in California.
2. Failed to vote in the last statewide General Election.
3. Have changed your name.
4. Wish to change your party affiliation.
5. Have moved.

Deadline for registering with county registrars for the November election is Thursday, Sept. 10.

Further information on the Upland drive may be obtained from Mrs. Jack Pierce, 982-9863 or Mrs. Clive Warner, 982-5020.

Asphalt, Cement Paving 'Pilot' Plant Approved

(CNS) — Erection of an experimental "pilot" plant for the manufacture of asphalt and cement paving products by a new process was approved for a site in the San Antonio wash, near Upland, at the Aug. 20 session of the County Planning Commission.

Mollring and Wood applied to the commission for site approval for an area where Mountain Rock Products now operates. It is located south of 20th Street, west of Orange Grove Avenue, in a section where similar businesses are are already in existence.

Garnett Jones, of the county planning department staff, reported to commissioners that the county air pollution control department had reviewed plans for the operation and cleared it as a "dustless, smokeless proces" for making paving materials.

G. B. Mollring, one of the applicants, said the process to be used is one recently developed by the research department of Union Oil Co. He declared it would differ from others in that it would be a "cold" operation. Materials for paving now come from what are called "hot mix" plants.

The plant to be installed on the San Antonio wash site, Mollring said, is already there. He explained it was brought in from Memphis, Tenn., before he and his partner knew a county clearance was required.

The plant has not yet been assembled, Mollring said, and he asked commissioners to forgive him for being "the stupidest man who ever came before you," for having brought the plant out before getting clearance.

Don Campbell, of the engineering firm of Campbell and Miller, asked the commission to approve the plant installation. Campbell said he represented the developers of adjacent subdivision developments, who would be most injured if the plant could be a nuisance.

Campbell's support was voiced in a letter, as he said he had to be somewhere else at the hearing time, but he declared he had examined the process and felt the plant would fill a long-standing need in the community.

There was no opposition, and the site was approved without conditions.

Cucamonga Annexation Plans Moving Slowly; Meet Slated

The "senstitive" issue of incorporation, which has griped Cucamonga once again after a recent annexation of 111 acres to Ontario, was moving ahead "slowly" this week with Chamber of Commerce officials and a special fact finding committee meeting to study steps for incorporation and to sort out the desires of the community.

Members of the fact finding committee appointed by District Chamber of Commerce President Buster Filpi are Glen Howard, Chaffey College Real Estate instructor; Mrs. Celia Martinez, civic leader; Michael Carrari, Alta Loma citrus rancher; W. Stanley Allen, land developer and citrus grower; Ray Rogers, of Red Hill, an accountant; Frank Penn, owner of the Magic Lamp Restaurant; Dr. Glen A. Baker of Etiwanda, a spokesman for the Etiwanda Service Club; and Chamber of Commerce board member Frank Lesinsky. Leslie Foster, Publisher of the Cucamonga Times, Bill Reckert, Chamber secretary and Filpi are serving as members-at-large of the committee.

The next scheduled meeting of the group is slated for noon, Friday Aug. 28 at the Kapu-Kai Restaurant on Foothill Blvd.

Cucamonga has attempted to incorporate twice before, each time failing. The most recent attempt is the result of the Local Agency Formation Commission's authorization of 111 barren acres in Cucamonga, to be annexed to the City of Ontario. County spokesmen have told the fact finding committee and chamber officials that Cucamonga can expect future annexations if incorporation proceedings were not initiated again.

The Chamber of Commerce has endorsed a resolution that would, if incorporation is successful, make Cucamonga's boundary dispersement similar to the 27 square miles now employed by the Cucamonga County Water District.

One of the major moves of the fact finding committee at a meeting held Friday, Aug. 21, was to attain the services of Maurice G. Covington, Ontario attorney for the purpose of preparing briefs and legal papers toward the ultimate goal of incorporation.

Several steps will be initiated to start proceedings, and if successful, Cucamonga could become incorporated in early 1966.

A notice of intent must be filed first to three agencies, the San Bernardino County Board of Supervisors; The Local Agency Formation Commission and the county clerk. This notice must include a list of those proposing the incorporation proceedings; the area involved (boundaries) and the name of the area.

Second on this list of "musts" is filing a petition to the County Boundary Commission for statement of the approximate boundaries an incorporated area would hold.

Thirdly, a petition submitted in favor of incorporation, signed by 25% of the area owners involved, must be filed with the county clerk. Signatures would then be checked for validity purposes.

If approved, the request would then be forwarded to the LAFC for a do or die vote. If the action fails, the proponents could not re-apply for a period of one year. Adding to the many "ifs," the Board of Supervisors would be the final proving ground. If, however, 51% of the owners appeared before the supervisors protesting the incorporation move, the issue would be void for a year's time.

Although many of the legal procedures are complicated, one of the main goals of the fact finding committee is to spread itself in the surrounding communities affected by the incorporation move and explain why the move is being made and get opinion on the subject.

Ways for reaching the Cucamonga population of about 10,000 will probably be discussed at the scheduled meeting on Friday. Tax base figures will also be discussed. It has been estimated that incorporation would bring an increase in assesed valuation, with sales tax figure also increasing, thereby expanding city income.

Leslie Foster, publisher of the weekly Cucamonga Times, and one of the prime movers in the incorporation plans said that Cucamonga better be on the road to incorporation or "we shall cease to exist."

Foster also said that after he returned from the meeting of the LAFC, the one which granted the acreage allotment to Ontario, he came away with the feeling that the LAFC patience with Cucamonga was growing thinner for not incorporating, preferring to remain an unincorporated area.

Salinger Special Due Here Saturday

The Pierre Salinger "Whistle Stop" Special is scheduled to roll into the Upland Santa Fe Railroad Station at 10:40 a.m. Saturday, Aug. 29.

The train is scheduled to make a stop in Fontana at 11:30 a.m. before proceeding on to San Bernardino and San Diego.

On hand in Upland to greet Salinger will be Mayor A. M. Hawkins, Jr., Councilman Ronald Rossitter and Ontario Mayor Charles Latimer.

The "whistle stop" campaign tour from Los Angeles to San Diego will initiate Pierre Salinger's bid for election to the United States Senate.

Senator Salinger, recently appointed by Gov. Brown to fill the remainder of the late Sen. Clair Engle's term, will be accompanied on the tour by Assemblyman John P. Quimby of the 72nd state Assembly district; Ken Dyal, Democratic nominee to fill the Congressional seat vacated by the retirement of Harry Sheppard, and Ray Conatser, 73rd Assembly District nominee.

Also aboard the 1910, four car wooden train will be prominent figures in the Democratic party, and members of the Press.

The West End Democratic Club will operate a county fair style booth at the Upland stop, and will provide free doughnuts, coffee, and cokes to the public on hand to welcome Senator Salinger and his party. In addition, a Deputy Registrar of Voters will be present to allow anyone who has not had the opportunity to register for the Nov. 3 General Election, to do so.

Entertaining the Salinger supporters at the Upland Santa Fe depot will be Bob Aker's Band, while the Fontana "Pops" Concert Band will provide the music at the Fontana Santa Fe station.

MAKING WAY for progress, the William Gilliland home at 1140 N. Euclid Ave. is being moved to provide a new street into a coming shopping center to be built on the northeast corner of Foothill Blvd. and Euclid Ave. The home, built in 1930 by the Kenneth Hanson family, was cut into three sections and will eventually be rebuilt on Euclid Crescent East, four blocks east of the fire station in San Antonio Heights.

Lieut. Zavitz Earns Wings

Lt. Stephen Zavitz

Second Lieutenant Stephen A. Zavitz, son of Mr. and Mrs. Arnold L. Zavitz of 315 Vallejo Way, Upland, has been awarded U.S. Air Force silver pilot wings upon graduation from flying training school at Laredo AB, Tex.

Lieutenant Zavitz is being assigned to Perrin AFB, Tex., for flying duty in a unit which supports the Air Defense Command mission of defending the continental U.S. against enemy air attack.

The lieutenant, who earned his A. A. degree from Chaffey College, received his commission in 1963 upon completion of Officer Candidate School.

LABOR DAY Block Party is being planned by residents of Francis Ave. in Upland. Shown during a planning and practice session for a talent show by the children at 3 p.m. are, front row, left to right: Kent Rogers, Kenneth Holme, Tanya Brooks, Debbie Cooley and Martha McLaughlin. Standing: Mrs. Merriman Hamblin, in charge of baby sitting service; Mrs. Raymond Cooley and Mrs. Richard Van Lieu, co-chairman of the event; and Mrs. Menno Lichti, entertainment committee. This third annual block party will accomodate some 65 persons.

Francis Ave. Residents Set Labor Day Block Party

As in the past two years, the residents on Francis Ave. in Upland are in for a fun-filled Labor Day.

The saying, "Back in your own back yard" wouldn't be appropriate, as no one's yard could accommodate the 15 families, some 65 people involved, so the cul-de-sac street was the next best thing.

About a month before Labor Day the wheels start going 'round. The planning committee issues the invitations, the ladies pick their favorite dish to set before the crowd and the children pick out a song to sing or play for the afternoon talent show.

Mrs. Richard Van Lieu and Mrs. Raymond D. Cooley are chairmen for this year with Mrs. Alex Gonzalez and Mrs. Menno Lichti heading the entertainment committee. The talent show is in charge of Gloria Hamblin and Beverly Rodgers.

A babysitting service will be offered to the parents of small children who wish to join in the evenings festivities. Mrs. Merriman Hamblin is in charge of this service.

The schedule of activities gets under way with a "swim-time" for the men and children at 11 a.m. in the pool of Mr. and Mrs. Kenneth Holme, followed with baseball and other games at 1 p.m. for the men and youngsters at Sierra Vista School grounds.

At the same time the ladies will be taking time out for a plunge into the Holme's pool.

The children will put their best efforts into a talent show to be held on the Hamblin lawn at 3 p.m.

"Zero" hour for anyone with an appetite will be 4:30 p.m. as the tables will be decorated in appropriate colors for the day and laden with many different meat casseroles, salads, baked beans, Chinese rice, relishes, rolls, and garlic bread. Topping off the meal will be the usual array of desserts: fruit salads, pies, cakes, and ice cream.

After dinner the little children will have a "hootenanny," — "kiddie" style, and their accompaniment will be "homemade" instruments.

When the tables are cleared, and the babysitters are at work minding the little ones, the adults will gather at the north end of the street for a good old fashioned, sing-a-long. Since some of the adults play musical instruments, they will keep the rest on key.

Mrs. James McLauchlin will introduce new residents on the street to their neighbors.

Those scheduled to attend are: Mr. and Mrs. Bert Harris, Rosilie and Celia; Mr. and Mrs. Kenneth Brooks, Tanya and John; Dr. and Mrs. Merriman Hamblin, Diana, and Gloria; Rev. and Mrs. Julian Rhodes; Mr. and Mrs. Raymond D. Cooley, Debbie, Deanna, Dean, Denise, and Danette; Mr. and Mrs. Robert Munz, Andy, Peggy, Paula, and Laura; Mr. and Mrs. Ronald Hanson, Sheryl, Robert, and Steven; Mr. and Mrs. Garland Rodgers, Beverly and Kent; Mr. and Mrs. Alex Gonzalez, Alex, Tomas, and Carlos; Mr. and Mrs. Richard Van Lieu, Jimmie, Debbie, and Keith; Mr. and Mrs. James McLauchlin, Brian and Martha; Mr. and Mrs. Kenneth Holme, Kenny, Kevin and Lisa; Mr. and Mrs. Howard Breeding, David and Margaret; Mr. and Mrs. Menno Lichti, Keith and Wade; Mr. and Mrs. Ruffino and family.

Card Group Has Poolside Buffet Meet

Swimming, bridge and canasta were the entertainment when the Card Section of the Cucamonga-Alta Loma Woman's Club met at the home of Mrs. Kenneth Lloyd Wednesday afternoon, Aug. 19. Iced tea, punch and coffee, and cookies were served buffet style from a tea table on the porch by Mrs. Richard E. Browne, Mrs. Ben Woodward, and Mrs. Herbert Minor.

This poolside event was the last for the summer program under the direction of Mrs. J. Clark Dellinger. The fall Bridge-Canasta Club will begin in September with Mrs. Maud Bonillas as chairman.

In addition to those mentioned above, members attending were Miss Ruth Milliken, Mrs. William Hutton, Miss Clara Young, Mrs. Elise Watkins, Mrs. Leo Cherbak, Mrs. Mary Murphy, Mrs. William Scott, Mrs. George Pagliuso, Mrs. Asger Ravn, Mrs. Lewis Gilbert, Mrs. Ray Ford, Mrs. Lewis Gilbert, Mrs. Kenneth Montgomery, Mrs. Robert Schmidt, Mrs. Henry J. Van Dyke, and guests Mrs. George Exley, and Mrs. Lester Tift.

Schools Cost $1½ Million in 63-64 Year

As the Upland School District prepares to open its doors for another school year, Sept. 14, officials are still looking back over the mountainous $1,419,327.28 building programs completed during the 1963-64 school year.

The million dollar figure was divided over four schools in the district, with the Citrus Elementary School using the biggest chunk, $553,811.96.

Eighteen classrooms, two kindergartens, a library, administration building and serving kitchen were constructed as the now Citrus Elementary School on W. 7th St.

Other construction projects completed were to Pioneer Junior High School, which spent $538,985.83. Additions to Pioneer included 11 new classrooms, choral and instrument music classrooms, multi purpose room, central kitchen and shower and locker facilities.

Foothill Knolls School was budgeted for $206,359.79. A kindergarten room, four classrooms, library, administration center and serving kitchen all were built during the past academic year.

An allotted sum of $120,178.60 was used in adding to Magnolia School's present facilities. A kindergarten, two classrooms, library, administration building and serving kitchen increased the facilities and expansion of the school.

Construcion for the upcoming year is slated to be announced soon by district officials.

Scotch Talk

from Upland High School

By Cecilia Alvarado

As this column will be my last, I want to wish luck to you all, to Bob Lindboe and the new Student Council, to Mr. Wolfe, Director of Student Activities, to the Plaid Press and Hielan staffs, to all the newly-formed clubs, to the Pep Squad — and also to express the hope that you're looking forward to next year as much as I am!

* * *

Jan Christen is back from her year's stay in Sweden, bubbling over with talk of her experience: "fabulous!"; mystifying Swedish words: "hejsan, fella"; plans for college: "Pomona, where else?" She also reports that she's "coming along pretty well with my English."

* * *

..Also back: Brian Campbell and Allen Ennis from cross-country; Suzie White and Yolanda Ayala from the desert . . . Congratulations to Kathy Kermer, new Buffum's Representative . . . Be sure to catch: Joe and Eddie at the Royal Tahitian; "A Hard Day's Night," terrific Beatle movie; the Democratic convention on telly . . . new grabs: above-the-knee socks, the Poor Girl's sweater, shoulder strap bags . . .

* * *

Everyone's excited about receiving Welcome Books, "big sister" letters, invitations to Freshman Camp from their schools — makes college seem not so very far away . . .

* * *

Again, good luck and have a wonderful 1964-65!!

Mr. and Mrs. Stephen Wheeler

Donna Busch-Leslie Wheeler Exchange Wedding Vows

Miss Donna Lee Busch, daughter of Superior Court Judge and Mrs. Henry M. Busch, became the bride of Stephen Leslie Wheeler in an evening ceremony Aug. 22 in the First Presbyterian Church of Upland.

The bridegroom is the son of Mr. and Mrs. Philip Leslie Wheeler of Temple City.

Nuptial vows were exchanged before a candlelit altar with Rev. C. Richard Mitchell and Dr. Rufus Oakey officiating. Four hundred guests witnessed the summer evening wedding, carried out in a theme of pink and white.

The bride, a vivacious and popular Uplander, was escorted down the aisle by her father, who gave her in marriage. She was gowned in white silk organza, of empire design, with side panels appliqued with satin leaves. The gown was finished at the waist with a rolled satin band and satin bows. Her headdress was a small satin pillbox which held a bouffant veil of crushed illusion with satin bows. She carried a dainty bouquet of butterfly orchids and stephanotis.

Mrs. Robert E. Thomson, of South Pasadena and the former Kay Gannon of Upland, a close friend of the bride, was matron of honor. She wore a full length empire gown of pink linen and carried a bouquet of pink majestic daisies, marguerites and stephanotis.

Bridesmaids were Miss Cynthia Charlton of Palo Alto, Mrs. Robert Copeland of Long Beach, Mrs. William Parrott of South Pasadena and Mrs. Richard Ellsworth of San Marino. They wore gowns identical to the honor attendant's.

Miss Gayle Lynn Shockey, a cousin of the bride, was a junior bridesmaid and wore a pink dress similar to that of the other attendants. She carried a colonial bouquet of white marguerites on pink net and ribbon.

Mr. Dennis Wheeler of La Verne, brother of the bridegroom served as best man. Seating guests were David Shinn of Los Angeles, Mike Morgan of Santa Barbara, Robert Copeland of Long Beach, Bill Wells and Dennis Gallagher of Temple City.

Mrs. Busch, mother of the bride, wore a pink sheath dress of chiffon and raw silk for her daughter's wedding. Her corsage was made of pink rosebuds.

The bridegroom's mother, Mrs. Wheeler, was attired in an aqua blue crepe sheath and she, too, wore a corsage of pink rosebuds.

Grandmother of the bridegroom Mrs. Ruth Wheeler of Temple City, wore a blue lace dress.

Mrs. W. L. Wilding was organist, and Mrs. William McAllister an aunt of the bride, sang Because and Bless This House.

Following the ceremony a reception was held in Hart Fellowship Hall where the newly married couple made the traditional cut in a six-tiered wedding cake topped with stephanotis and daisies.

Assisting at the reception were Mmes. George Miller, Ellery Wright, Francis Colton, Laurel Shockey, Thomas Nock, Donald Maroney, Richard Garner and Miss Ruth McWilliams. Also serving were the Misses Elaine and Julie Garner and Gay and Robin Maroney.

Attending the guest book were the Misses Katherine and Therese Whitney, daughters of Mr. and Mrs. George Whitney of Upland.

After a wedding trip to the Palomar Mountains the new Mr. and Mrs. Wheeler will be at home at Daly City.

The bridegroom is a second year law student at Hastings College of the Law in San Francisco. He is a graduate of the Temple City High School and Occidental College where he was a member of Alpha Tau Omega fraternity.

The bride, who is now an elementary school teacher, is a graduate of Upland High School and Occidental College. She was a member of Delta Omicron Tau sorority at Occidental. Upland has been her life-long home.

Out-of-state wedding guests included Chief Justice and Mrs. William M. McAllister, aunt and uncle of the bride, of Salem, Ore.; Mr. George McAllister, uncle of the bride, of Gresham, Ore.; and Mr. and Mrs. William McAllister, of Portland, Ore., cousins of the bride.

From the San Francisco area guests at the wedding included Mr. and Mrs. Thomas P. Nock, Ensign David Nock, and Mr. and Mrs. Duncan Scott. Mrs. Ray Miller of Palo Alta and Mrs. Dorothy Keck of Lockford also attended.

Arthur Myers Aboard Huge US Carrier

Arthur J. Myers, shipfitter fireman, USN, son of Mr. and Mrs. Albert P. Myers of 1086 E. Sycamore Ct., Upland, is a crewmember of the attack aircraft carrier USS Constellation operating off the coast of Southeastern Asia.

The Constellation, one of the Navy's mobile floating airbases, provides fuel, maintenance and supplies for more than 80 airplanes of assorted types and sizes.

Aircraft include the propeller - driven "Skyraider" which is used for close ground support of infantry troops. This plane is capable of carrying enough bombs and rockets equal to its own weight.

Along with this old workhorse are the "Phantom," "Skyhawk" and "Crusader," sleek, modern jets. The Phantom and Crusader are fighter-interceptor planes capable of reaching speeds twice as fast as soun. The Skyhawk, sometimes referred to as the bantam bomber is the smallest carrier-operated plane capable of carrying nuclear weapons. It is equipped with four 20mm cannons plus the deadly heat-seeking air-to-air missile, Sidewinder.

The Constellation is operated by more than 4,000 men. She can operate continuously for months at a time, covering more than 600 miles a day with speeds up to 40 miles an hour. Four propellers, each equal in size to a two-story house, give her this speed.

Her flight deck is longer than three football fields laid end to end. The widest point of the deck is approximately 252 feet, large enough to hold the luxury liners Queen Elizabeth and Queen Mary, side by side.

Schlereth-Reilly Rites At Sacred Heart Church

Sacred Heart Church in Etiwanda was the setting for the wedding of Miss Jule Ann Schlereth of Cucamonga and Mr. John Reilly of Upland on Aug. 15.

Marriage vows were solemnized in a Nuptial Mass read by the Rev. Francis Horvath. Mixed white flowers were placed on the altar, with baskets of white flowers at the foot of the altar. During the ceremony the bride placed a bouquet of white carnations on the altar of the Blessed Mother.

The bride, the daughter of Mrs. Gertrude Schlereth of St. Louis, Mo., chose a classic wedding gown of handclipped chantilly lace with tiers of lace and tulle in the back which fell gracefully into the chapel-length train. For her headdress she wore a pearl crown with a mantilla-type illusion veil trimmed with chantilly lace. She carried a cascade bouquet of white roses, stephanotis, carnations and small red rosebuds.

The bride's brother, Albert Schlereth of 8194 Malachite, Cucamonga, gave her in marriage. Mrs. Albert Schlereth was her attendant, attired in pink lace designed in a Spanish motif. She carried white carnations.

Thomas J. Reilly stood beside his brother as best man. Ushers were James F. Reilly, another brother, and Clark Corpe of Upland.

The bride's mother wore powder blue with white accessories and a white carnation corsage. Mrs. Ignatius L. Reilly, mother of the bridegroom was attired in pale pink brocade with a white carnation corsage.

Following the ceremony a wedding breakfast for family members and bridal party was held at the Stuft Shirt. An afternoon reception was held at the home of the bridegroom's parents, Mr. and Mrs. Ignatius L. Reilly at 1428 Juanita Ct., Upland.

The traditional three-tiered wedding cake, topped with a miniature bride and groom in a lace heart, was cut by the newly married Mr. and Mrs. Reilly. A buffet supper was served guests.

Assisting hosteses were Mmes. Charles Drake, Frank Dixon and Richard Diffin, all of Upland.

The bride has resided in Cucamonga for the past three years. She is a native of Missouri, and attended Kirkwood High School in St. Louis.

The bridegroom is a native of New York and a graduate of Port Richmond High School, Staten Island. He has resided in Upland for the past five years and is a member of local Junior Chamber of Commerce.

After a short wedding trip to an undisclosed destination the young couple will be at home at 375 Alpine, Upland.

WHICH WAY DID THAT TRUCK GO?
That's what you'll ask when you see this large older home in San Antonio Heights. Paint won't replace the wallboards, ceilings, windows, etc. that have been torn out to make way for the remodeling project that never took place. So be prepared to do a lot of work.
Once a home surrounded in quiet dignity, it now stands neglected and close to shambles; however, if you are the working type, the majesty of this once lovely home can be restored to 3 large bedrooms, formal dining room and country kitchen.
Excellent location just off Euclid Ave. where new homes in the $35,000 to $45,000 price range are being constructed. Oh, yes, if you have a barefoot boy with a Shetland pony, bring him along. About ½ acre, zoned and fenced for horses. This won't last, so hurry.
Full price $14,500. Low down, easy payments.
Or
COOL POOL
Well built home, graceful roof lines, ornamental beams, porch, etc. All in a large setting of wide green lawns, trees, sidewalks, and high fencing.
Sharp well planned interior, plaster walls, attractive decor. All bedrooms and closets well arranged off the master bath. Colorful queen's kitchen has everything. Screened in porch to big estate size lot with huge patio that includes a beautiful designed Blue Haven swimming pool 15x30. Finest professional design and construction Diving board, under water light, colorful tile, extra decking, etc. Fine close-in Ontario location. See to appreciate. FULL PRICE $11,950. No down payment VA buyers, total costs $70 and the entire balance payable $68.17 per month including principal and interest.

Montclair, Upland To Host Classes

Montclair and Upland High Schools will be the center for math and engineering courses to be offered this fall by the University of California at Riverside University Extension.

The two schools will also be the site of lectures in business courses, marketing, contracts, insurance and data processing. This curriculum is also available at Vina Danks Junior High School in Ontario.

A variety of courses and lecture series that will be offered are now listed in the new extension catalog, which is being mailed this week.

Copies of the catalog that detail courses, credits and meeting areas may be obtained by writing or calling to the University Extension, University of California, Ricerside. The phone number is 684-2210, ext. 52.

MEN ON CAMPUS — Three-fifth of the University of California at Berkeley students are men.

Two Million Can't Read, Council Says

Two million adult men and women in the United States can neither read nor write, according to Mrs. May McMillan, director of the Southern California Literacy Council.

Mrs. McMillan reported at a meeting of the Inland Laubach Literacy Council on Sunday in Ontario that, at the suggestion of Mrs. Harry Messenger, president of the Inland Council, she requested Representative George E. Brown, Jr., to sponsor the promotion of a National Literacy Week.

Representative Brown presented House Joint Resolution 1043 which would authorize President Johnson to issue a proclamation inviting the people of the United States to join in the observance of Literacy Week beginning Sept. 14.

The choice of this period is particularly fitting because Dr. Frank Laubach, whose method of teaching adults to read and write is taught in 105 countries and 305 languages, will celebrate his 80th birthday on Sept. 2 this year.

Mrs. McMillan told of several recent visits she has made to Projecto Juarez y Lincoln, commonly known as Project Amigos.

This joint endeavor of the citizens of the United States and Mexico provides both material assistance and literacy classes for thousands of people who live in great poverty on the outskirts of Tijuana.

The Inland Council voted to buy a "Little Library" of 21 booklets for a Literacy center in a district called Libertad.

Mrs. A. N. Correll is Publicity Chairman for the Inland Literacy Council.

By Walt Orvis

It's tough being a hero. I'm finding out the hard way.

I'm not a hero because I did something heroic. I'm a hero only because I have a 4-year-old son. I'm a hero as any father of a 5-year-old is.

And it's a tough profession, heroing.

It I say I'm going to have milk with my dinner, my worshiping son will have milk. If I said bourbon, he's probably say the same thing.

Whatever I do he follows. That makes it tough. Can't get away with the old "do as I say, not as I do" bit. I've got to set a good example.

The least little thing you do, little eagle-eye copies to a T. I open the car door for the little copycat's mother, close it after she gets in, and she says "thank you," and I say "Your're welcome."

He copies her, too. I held his door for him and he came up with an unsolicited "thank you."

At least I know how to get him into good habits. All I have to do is set a good example, and beat his mother so she will do the same.

Of course that might be setting a bad example.

I could preach 17 sermons about saying "thank you" "please" and related words of courtesy, and they would have no effect, I'm sure, but I find a 5-year-old can ape anyone.

Those little people copy words, phrases, expressions, as well as acts. Even when you think they are out of sight, out of mind and out of earshot, a careless expression or act somehow will implant itself in the mind of one of the little sharpies.

It's a lot easier being sloppy in speech and actions than it is setting a good example.

You know, one of these days having that hero worshipper following me around might get me trained the way his mother would like to have me trained. Tough to be a hero, but maybe a good thing.

Shriners Set Stag Event

The popular Shrine leader, Noble Frank R. Brunner, Treasurer of Al Malaikah Shrine Temple, who has served as Shrine Luncheon chairman since 1945, announced that another great luncheon program has been arranged for Shriners of Southern California to be held at the Biltmore Bowl, Thursday, Sept. 3, at noon, with Santa Fe Railroad as the sponsor.

Potentate Mark T. Gates, chief official of the largest Shrine temple in North America, Al Malaikah, said that Shriners from eight Counties representing sixty-four Shrine Clubs are expected to attend the stag affair.

Highlighting the entertainment will be the wacky commedian, Jack Marshall, "the man who lives dangerously." His hilarious routine as a self-appointed public avenger against traffic signs, TV commercials and trend of the times is combined with a delightful interlude, "Dixieland-Style," on the slide trombone.

Another featured artist is and song stylist, Miss Dell-Fin Thursday, according to Chief Rabban John Rounsavelle, who will act as Master of Ceremonies.

High Priest and Prophet Arthur Burgan, announced that the fabulous Mark III Ceremonial Caravan will be held in Santa Barbara on Saturday, Sept. 19.

Sheriff's Volunteers Benefit to Taxpayers

Increasing scope of search and rescue operations of the San Bernardino County Sheriff's Department is graphically illustrated by figures released by Sheriff Frank Bland. Of particular interest to tax payers is the role played by trained volunteers in working under the supervision of regular Sheriff's personnel at no cost to the county.

During the fiscal year ending June 30, a total of 215 victims were the object of search and/or rescue in San Bernardino County, according to statistics of the Sheriff's Plans and Training Division.

Engaged in these operations were 338 regular Sheriff's deputies for a total of 2,664 hours, and 1,241 volunteer deputies who donated 10,819 hours of their time to working with regular personnel in finding lost children and adults, rescuing ill and injured persons, recovering victims of airplane crashes, automobile accidents, drownings and other tragic circumstances.

Greatest activity was in the month of April when 40 deputies and 144 volunteers devoted 3,234 hours of time in aiding 22 victims, and in a mountain search and rescue training mission of 848 hours involving 15 volunteers and four regular deputies.

The number of hours spent in search and rescue activities rose from 7,109 in the fiscal year 1962-63 to 13,438 in the fiscal year recently ended, an increase of approximately 48 per cent, the records show.

In addition to manpower, search and rescue operations last year involve the use of 88 pieces of county equipment for 1,774 hours, and 427 pieces of privately owned equipment donated for a total of 3,949 hours at no cost to the taxpayer.

In commenting on these figures Sheriff Bland paid tribute to the reserve officers, special deputies and the members of Search and Rescue teams throughout the county for their generous cooperation, and pointed out that the law enforcement officer is not only a guardian of the law but is also a friend of those in need.

He expressed his appreciation also to the employers throughout the county who give volunteers time off in order that they may assist the Sheriff's Department in search and rescue missions.

Sheriff Bland Warns of Gun Theft Trend

"The burglary of the Sierra Trading Post in Fontana, on Aug. 19, where 23 rifles and hand guns and over 3,500 rounds of ammunition were stolen, follows a pattern that is prevalent not only in this area but also in all of Southern California," Sheriff Bland stated.

"The number of burglaries of commercial buildings and of residences involving the theft of guns and ammunition is on the increase," Sheriff Bland said.

The arrest of the four suspects in the Sierra Trading Post Burglary, Earnest Raymond Fields, 24, of 18190 Base Line, Sherman Lenoir, 18, of 6167 Maloof St., Richard Maurice Smith, 22, of 16696 Base Line, and a 16 year old youth, Nathaniel Fowler, of 7391 Alder Avenue, all of Fontana, points to the concern expressed by Sheriff Bland.

All are believed to be active in the Black Muslim organization or are believed to be associates of members of that organization and are believed to be sympathetic to the movement. Sheriff Bland commented that it is possible that the extremist groups are preparing non-peaceful demonstration in the Southern California area.

"This matter should be of deep concern to all citizens, as well as law enforcement agencies," Sheriff Bland said. The Sheriff concluded by stating, "We could have demonstrations paralleling the cities in the eastern United States."

LWV Compiles New Booklet For Voters

"Facts for Voters," a non-partisan publication giving California registration and election rules, was released this week by the League of Women Voters of West San Bernardino County.

Mrs. Jack Blair, President, announced that 10,000 copies will be distributed in the community as a public service. Mrs. Blair states that most Leagues in the United States publish such information as a part of Voter Service work, but that this is a more extensive brochure than most.

City governmental and school information is contained in the publication. All City Councilmen and Planning Commissioners, with terms of expiration, for the cities of Upland, Ontario and Chino are listed. Also included are west end school districts with their Trustees and terms of office.

An additional section deals with County government and elected officials of State and National governments.

The brochure was compiled by members of the local League under the direction of Mrs. John Fentiman. Copies area available at local banks, the Chamber of Commerce, and at the Aug. 28 and 29 Registration drive, sponsored by the League of Women Voters in downtown Upland or by calling YU 2-7849.

Assessments in SB County Sub-Average

The largest single-year drop in the statewide average ratio value to full cash value in recent history was reported by Richard Nevin, Southern California Member of the State Board of Equalization.

A decrease of a full percentage point brought the average down to 2.1 per cent and held the total assessed value of the State to $1.4 billion below the value that would have been 23.1 per cent ratio been maintained.

This statewide average reflects county ratio ranging from a little more than 18 per cent to almost 26 per cent, Nevin stated. San Bernardino County's ratio is 20.5 per cent

The law directs the State Board of Equalization to find and publish the ratio of assessed to full cash value for each county annually.

This ratio is used by the State Department of Education in the apportionment of and by the State Controller to compute repayments to be made by school districts on state loans for school building construction.

Nevins added that in counties with ratios below the statewide average, countywide taxes must be levied to raise funds for expenditure in any school districts within the county whose assessed values per student are low enough to entitle them to state equalization aid.

Mike Piel, house guitarist, currently is appearing at the Knight's Rest, 1275 W. Foothill in Upland. Piel, veteran of previous engagements with the Terriers and Joan Baez, appears with the Ridgerunner folk singers.

Guitarist Piel Appears In Knight's Rest Shows

Currently appearing with the Ridgerunners folk singing group at the Knight's Rest in Upland is Mike Piel, the house guitarist.

A native of Virginia, Piel graduated from Harvard University and has sung with the nationally known folk group, The Terriers and the number one woman folk singer, Joan Baez.

His act is usually listed as a duet, but his partner Lynn Gold is in the hospital, but is expected to join Piel at the end of the summer.

Miss Gold records for Columbia Records and has sung at folk festivals in Road Island, the Bahamas and the Carribean.

The Knight's Rest is open Wednesdays through Saturdays with show times listed at 9 and 11 p.m. on Wednesdays. Thursday is the regular show and hoot, while Friday and Saturday shows run at 9, 10:30 and midnight.

FINISHING a quick shoe job on their handsome steed are, left to right, Holly Montgomery, La Verne College, and Ann Case, Cal Poly (Pomona), both contestants in the Los Angeles County Fair Queen Contest. The fair, which features pari-mutuel racing daily, except Sunday, opens its 17-day run on Sept. 18.

11 Valley Explorers Trek To New Mexico Ranch

Eleven Valley Explorers and two adult leaders left Pomona on Aug. 11 for a 12-day trek at the Philmont Scout Ranch in Cimmaron, N.M., according to George Van Tubergen, Council Camping Chairman.

The 127,000 acre ranch, located in northeastern New Mexico has herds of buffalo, deer, antelope, as well as stocked fishing streams and bosts as high as 12,000 Exporers who hike its wilderness trails during the spring and summer seasons.

Lyle Fry, Principal of Montclair High School, is Expedition Leader. Dale Stevens, Upland High School instructor, is Assistant Leader.

Explorers going are: Mike Cox, Troop 607 Upland; Darrel Culbertson, Troop 301 Ontario; Brian Fry, Troop 301 Ontario; Gary Glticher, Los Angeles, Calif.; Andrew Harris, Troop 301 Ontario; Dan Maxfield, Troop 301 Upland; Steve Moore, Troop 301 Ontario; David Sanderfer, Troop 301 Ontario; Randy Stevens, Troop 301 Upland.

The Old Baldy Council group will hike over 50 miles during their stay at Philmont. The group returned on Aug. 25.

Points of interest on the Ranch include:

Villa Philmone the original year round retreat of Waite Phillips, it is now used as part of the Volunteer Training Center.

Kit Carson House — home of the famous scout and trapper. It was built on the site of the famous Santa Fe Trail after Lucien Maxwell acquired the Beaubien-Miranda Grant. The home has been restored by boys under the supervision of the Camp Director.

Indian Writings — ancient pictographs by early man. At this site Scouts may participate in archeological excavations.

"Tooth of Time" — A 9,000 foot butte which lies to the southest of Scout Headquarters. It is the best-known landmark at Philmont.

Ciphersmine — where boys may explore a working gold mine.

Waite Phillips Mountain — favorite mountain climbing area at Philmont. The slope ascends 11,711 feet.

Pettis Warns of Increase in County Dope Arrests

"California had the dubious distinction of leading the nation in major crimes in 1963. Knowing this, does it shock you to learn that heroin arrests in San Bernardino County in the same year increased more than nine times more than the state as a whole?"

Congressional candidate Jerry Pettis asked an audience of Young Republicans and guests in Loma Linda. Pettis spoke at a meeting of the Loma Linda YRs, Monday evening, Aug. 24, in Linda Hall.

"Doesn't it frighten you a little to know that at the present rate, the increase will be even greater this year?" he asked.

Pettis blamed chronic over-protection of the criminal element for seriously handicapping law enforcement officers in their efforts to protect law-abiding citizens.

"It is time for the legislators to begin making laws to protect society — not to protect the criminal against society," he declared. "I'm not here to shock you, although I confess I experienced a shock myself when these distresing facts were disclosed to me by Sheriff Frank Bland's staff of dedicated and hard-working vice squad officers."

Noting that the San Bernar-dino County Sheriff's Office enjoys a nationwide reputation for efficiency and effectiveness, he pointed out that hard - pressed undercover agents are unable to cut off the seemingly unlimited supply of dope flowing into the county.

"You — and yes, your children — can buy a fix of heroin in a bar, on the street or in a private home for $25," he declared.

He revealed these facts from Bland's office:

In 1963, there were 18 narcotics arrests in the county.

So far this year — with more than a third of the year to go — Bland's men have made 130 arrests. They are worried about the activity in heroin and their predictions are gloomy: "We don't seem to be gaining. We need more help from the law, particularly in cutting off the sources of supply, protecting informants and relaxing the restrictions on reasonable search and seizure."

Pettis said the county, like the state as a whole, has experienced a sharp increase in juvenile crime since 1959, helping to skyrocket the cost of crime in California to $3 billion a year — to say nothing of the cost in terms of human lives.

Deploring the inaction of some members of the State Legislature and their repeated rejection of laws designed to strengthen the hand of law enforcement officials in combatting the rising crime rate, Pettis said if elected he will take up the fight on the national level.

"I will fight for stronger laws to check the flow of dope across the borders and curb the sharp increase in the illegal sale and use of narcotics and non-medical use of dangerous drugs," he said.

He added he will support laws to give local governments greater legislative authority to meet specific local needs; to strengthen the ineffective anti-obscenity laws; to combat juvenile delinquency; to rehabilitate criminal offenders; and to reduce the growing death and injury toll on the highways.

Symphony Group Name Is Changed

The Ontario Symphony Orchestra Association hereafter will be known as the West End Symphony Orchestra Association, Dr. William Haldeman, president, announced.

Decision to change the name was made at the August board meeting after it was pointed out that the organization intends to extend the benefits of the professional-type orchestra to all of the communities which comprise the West End of San Bernardino County.

The association has already begun preparations for its third musical season. This will consist of three subscription performances and two youth concerts to be presented in the area during the period of November through May. The sale of tickets will begin in early September under the direction of a committee headed by Mrs. W. J. Kelber.

Jay Dietzer, who has guided the orchestra since its conception, will continue as conductor during the coming season and Winfield Angel again will serve as business manager.

Association officers in addition to Dr. Haldeman are Henry Lucas, vice-president; Sam Esrock, treasurer; Mrs. Harvey Wood, recording secretary; and Jo Ann Lutz, corresponding secretary.

Casa Colina To Expand Children Day-Care Program

Beginning Sept. 1, Casa Colina will expand its day-care program for children with cerebral palsy and related problems, according to Mrs. Dorothy Robinson, director of the nursery school.

When the program began last October five children were enrolled. This enrollment has increased to fifteen. With the expansion, fifteen additional children will be accommodated. Any child who is not yet five years of age and who has cerebral palsy or related problems may be referred to the school.

The day care program at Casa Colina is a cooperative type nursery school. Each mother serves one morning a week helping in the school. The parents are required to attend one parent meeting a month. Speakers, panel discussions, and films are a part of the parent meetings.

Since this is an educational-ly planned nursery program, the activities, such as field trips help to broaden the child's world. A morning circle time with speech games stimulate the children to want to talk an socialize. Music and rhythm play an important part in each nursery school day. The child soon learns to listen to music, to sing songs and move his body to the rhythms.

An outside play yard is designed to help each child develop to his maximum physical potential.

Physical and occupational therapy are included in the schedule. The children also have their lunch at Casa Colina since the school begins at 9 a.m. and continues until 3:30 p.m.

For further information, call Mrs. Dorothy Robinson, LY 3-1336, Monday through Friday.

Fair to Spotlight County Newspapers

Every newspaper from every corner of giant San Bernardino County will be spotlighted at the county fair, Sept. 2-7 at Victorville.

Designed to recognize the importance newspapers play in the community, "we hope to have 100 per cent participation this year," says fair board president Roger J. Hartwick. The feature proved so popular last year that it is being repeated.

Featured in a 16-foot octagon will be "pages from the past" — history as depicted by newspapers of seven wars. They are the property of retired printing salesman C. F. Shaw of Crestline. One is printed on wallpaper — all that was available as Grant's forces bore down on Vicksburg, Miss., in 1863.

Statistical Crime Report Issued for Area Substation

The annual statistical crime report released on July 24, from the San Bernardino County Sheriff's Department by Sheriff Frank Bland points out the local crime conditions as it affects the area served by the Ontario Sheriff's Substation for the past fiscal year ending June 30, 1964.

The 350 square miles of en-forcement area policed by the 17-man force of the Ontario Substation ended the past fiscal year with a decrease in reported felony crimes of 2.2 per cent.

Misdemeanor crimes reported for the fiscal year ending June 30, 1964, increased 30.1 per cent, as compared to the same period ending June 30, 1963.

Felony crimes during the period July 1, 1963 through June 30, 1964 numbered 537, as compared to 549 for the previous year.

During the same period there were 3,033 reported misdemeanor crimes as compared to 2,331 for the previous fiscal year.

Reported felony crimes be-tween July 1, 1963 and June 30, 1964 reveal:

Crimes Against Persons, 54; Residential Burglaries, 118; Commercial Burglaries, 163; Grand Theft, 39; Grand Theft-Auto, 45; Check Offenses, 44; All Others, 74.

Reported misdmeanor crimes for the same period:

Petty Theft, 422; Disturbing the Peace, 877; Malicious Mischief, 368; Drunk, 80; Breaking and Entering, 31; Battery, 74; Assault, 30; All Others, 1,151.

Other miscellaneous calls and public services handled by the Substation during the fiscal year ending June 30, 1964 amounted to over 3,000. During this same period the Substaion handled 109 lost children and adults. In addition, the receipt of 1,427 warrants of arrest added to the overall workload of the Substation. Of the total warrants received, 650 were served, consuming 5,-750 hours of the deputies' time.

Stolen property for the fis-cal year ending June 30, 1964, as placed at a value of $150,-961.11, as compared to $123,-997.55 for the previous year. The value of recovered property for the same period was placed at $51,822.85, as compared to $77,836.84 for the previous fiscal year.

Miles traveled by the patrol vehicles assigned to the Substation during the fiscal year ending June 30, 1964, amount to 254,819, as compared to 181,770 miles for the previous fiscal year.

Reserve deputy sheriffs do-nated 2,719 hours of time in assisting the Ontario Substation personnel in patrol activities and in search and rescue assignments.

Forrest Day School Starts 11th Year

The Forrest Day School will begin its 11th academic year in this area with the opening of the fall semester on Sept. 14.

Situated on 2½ acres on the northern boundry of Montclair, with easy accessibility to the Central Avenue freeway turnoff, the school has added its third classroom building this year.

The Nursery School Division has four classes for groups of children ages 2½ through 4½, both half day and full day. There are morning and afternoon Kindergarten groups, each meeting for three hours. Grades 1 through 6, as well as the Kindergarten classes will be using the new approach to mathematics again this year.

Conversational Spanish is started in the Kindergarten and is taught through all the grades. This year, a pilot study in the use of programmed reading material will be made as a supplement to the regular courses in phonics and language studies.

Final registration and testing of new students will be held on Saturday, Aug. 29 at the school grounds, 5550 W. Arrow Highway, Montclair.

Saturday's schedule includes Kindergarten testing at 9 a.m., grades 1 through 3 at 10 a.m., and grades 4 to 6 at 11 a.m.

Humane Society Offers Canines For Adoption

A variety of dogs are available this week at the Humane Society of Chaffey Community on Philadelphia east of Vineyard.

The dogs available include, Mix Terrier, Mix Shepard, Mix Poodle, Mix Cocker, and Labrador.

There also is an assortment of pups and kittens.

With each dog adoption the Society will issue a Certificate for a free examination at a local veterinarian; courtesy of the local vets. All dogs four months and over must be licensed.

The hours are 8:30 to 5 p.m. Monday through Saturday, 12:30 to 4:30 p.m. on Sunday.

Fun for Oldsters Planned at Fair

A rollicking good time is in store for hundreds of oldsters who'll forget their aches and worries at the Sept. 3 Senior Citizens Day at the Sept. 2-7 San Bernardino County Fair.

They'll compete in corn-husking, butter - churning, waltzing, horseshoe - pitching and ice cream-eating as well as a round of trophies—for oldest man and woman, couple married longest, with most children (or grandchildren, great grandchildren), group coming farthest and largest-group attendance — as well as couples with their anniversary on Sept. 3.

A featured speaker will be William D. Bechill, Sacramento, executive secretary, Citizens' Advisory Committee on Aging. A band concert, talent show and first-place national barbershop quartet, plus a colorful horse show will round out the day.

Oldsters will be admitted to the fair at reduced rates. The handicapped will be special guests. Wheelchairs will be provided.

They'll visit exhibits at 10 and gather to sing old favorites at 11, when a round of events will begin. The "High Desert Noveliers," Senior Citizens orchestra will play, followed by the churning contest and husking bee. Entries must be filed with the fair before Sept. 3. Eight contestants, drawn by lots, will turn three quarts of cream into butter. Judging will be based on body, moisture, texture, flavor, aroma and appearance. No previous winners may enter. Time and how clean the ears come out will be basis for husking bee winners.

And a dozen more Seniors will tie on bibs and feed each other ice cream, using narrow tongue depressor sticks, in another fun-filled contest.

A waltz contest will follow, at 12:30 p.m. and at 1:30, a two-hour talent program will range from music to magic. Entries closed, Tuesday, Aug. 25.

Oldsters may then visit the fair's many exhibits or, from 4 to 6 p.m., take a tour of the Victor Valley, hosted by realtors.

There's a horseshoe-pitching contest at 5, a band concert at 6 and free, reserved grandstand seats at the horse show at 7 p.m.

Free milk, buttermilk, punch and cookies will be served during the day. Visitors may register for some 40 prizes—including a two-day stay at a Las Vegas resort.

Spanish Films Every Monday At The Grove

Acknowledging numerous requests via letters, cards, phone calls and personal contact, Hugh Thomas, owner of Upland's Grove Theatre booked two experimental Spanish programs.

The first on July 20 and the second on Aug. 10.

Each time the theatre was filled almost to capacity.

In view of his and maintaining his policy of endeavoring to make the Grove a true community theater for the benefit and entertainment of the local populace, Thomas decided to make the Spanish programs a regular weekly part of his film fare offering. Now the Spanish speaking patrons can look forward to two fine films in their language each Monday.

An interesting facet to note is the support given to these programs comes not only from the Mexican-American community: but from Caucasions in the area as well.

Among the latter several faculty members and students from the colleges in Pomona Valley.

Thomas estimates the ratio to be approximately 76 per cent Latin and 25 per cent Caucasion, and is highly pleased with the inception of the program.

Upland Lion Of The Week

(Editor's Note: The following is another in a series of biographies featuring members of the Upland Lions Club. The material is taken from the Lions Weekly bulletin, "The Tail Twister" and is in recognition of the club's 40th year.)

C. Ernest Olson, Past-President and Past-Zone Chairman for Upland Lions Club, became a member of the Upland Club in 1939, having previously been a member of Junior Lions in Ontario.

Ernie was born on Nov. 26, 1906 in Salem, South Dakota. His father, Carl, was a farmer who brought his family to Upland in 1919. Ernie attended school at the 10th Street School and graduated from Chaffey High School.

Olson's Meats had its beginning in 1927 in a market at 281 N. 2nd St., where Wise Drugs is now, ten years later relocating on Ninth Street, moving a third time to the present location at 60 E. Ninth four years ago.

Ernie married Helen Hilty on Sept. 7, 1930. She was secretary to City Manager, Dick Manley, at the time. There's now a son and a daughter, Roger and Janice, to be proud parents too, and three fine grandchildren.

Fred Draper was President of Upland Lions when Ernie became a member. Meetings were being held at The Sycamore. The club had a small membership then, but the annual Soap Box Derby was one of the major activities sponsored by the group.

Ernest Olson is an active member of the Upland Methodist Church, serving on the Official Board in various capacities. He was a member of the Upland City Council 1936-40, during which time the present city hall was built. (Bob Cameron's father, David Cameron, was Mayor at that time). He is also an active member of Y.M.C.A.

Amateur photography is one of the leisure-time activities which interests Ernie. Travel (a trip to Europe, another one to Hawaii), is the other activity which both Ernie and Helen enjoy. A trip to the East Coast in 1947 when the children were in elementary school yet, is one of the most memorable. That was the time Roger got lost in Philadelphia Zoo.

LANGUAGE PROBLEM — Only 14 per cent of elementary school teachers teaching foreign language in California are fluent in the language.

THREE NEW Upland Firemen chat with Chief Leon Lamphear about the department's equipment. From left: Norm Taylor, Ron Maynard, and Ed Larned. Taylor, 29, is a native of Ohio. He was formerly employed in the materiel department of Lockheed. Maynard, 26, a former pressman with a Monrovia printing firm, was born in New York, but has lived in California most of his life. Larned, 31, is a native Texan and was distribution manager for a commercial blood bank in Los Angeles before joining the Upland Fire Department. The three men completed their training during July and August.

Reading Workshop; Pre-School Plans Set for Teachers

A voluntary summer reading workshop, presented by the Economy Company for Upland primary teachers, will be held at 8:30 a.m. on Thursday, Sept. 3. The all day session is slated to be held at Magnolia lementary School, 465 W. 15th, Upland.

The workshop will be under the direction of Mrs. Gladys Kralovich, who has been called a "highly succtssful elementary teacher." Mrs. Kralovich's presentation is centered on a demonstration and orientation of Phonetic Keys to Reading for grades one, two and three. Mrs. Kralovich teaches elementary school in Lynwood, while conducting reading courses during the summer months.

The session is scheduled to convene at 8:30 and last until 3:30 with 1½ hours allotted for lunch.

An agenda, describing the pre-school orientation plans for new teachers in Upland elementary schools this fall, has been released by Upland School District officials.

The first in a series of three scheduled meetings will be held at 9 a.m., Tuesday, Sept. 8 in Magnolia Elementary School, Room 9.

The second meeting is slated at Pioneer Junior High School at 8 a.m., Thursday, Sept. 10. The third session will entail classroom preparation for the opening of school and will be Friday, Sept. 11.

During the first session, teachers new to the district will be introduced to school officials, special personnel and be informed of district policies and procedures. They will also be feted at a luncheon sponsored by the Upland Kiwanis Club on Sept. 18 at Elton's Restaurant in Upland.

The schedule for Sept. 10 includes a welcoming breakfast and speech.

Anna Brubaker Services Held

Funeral services for Mrs. Anna N. Brubaker, 65, a former teacher at Upland College, were held Saturday, Aug. 22 at the Brethren in Christ Church, Upland. Entombment was at Bellevue Mausoleum, Ontario.

Rev. Eber B. Dourte, Pastor of the Brethren in Christ Church, Dr. Jesse F. Lady and Dr. John E. Martin officiated at the services.

Mrs. Brubaker died Aug. 18 in her home.

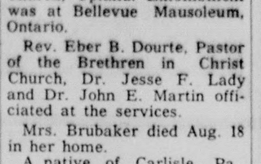

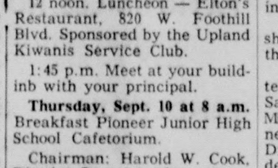

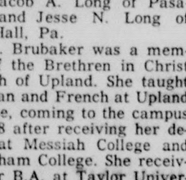

A native of Carlisle, Pa., she had resided in Upland for the past 36 years.

She is survived by one sister, Mrs. Henry S. Miller of Salona, Pa.; one foster sister, Mrs. Lloyd Evarts of Vergennes, Va.; two foster brothers, Dr. Jacob A. Long of Pasadena and Jesse N. Long of Mill Hall, Pa.

Mrs. Brubaker was a member of the Brethren in Christ Church of Upland. She taught German and French at Upland College, coming to the campus in 1928 after receiving her degree at Messiah College and Grantham College. She received her B.A. at Taylor University, Upland, Indiana and her Masters at Hartford College of Religious Education, Hartford, Conn.

Jet Dragsters Match Races Set Saturday

It will be North vs. South Saturday night when the top two jet dragsters in the world, "Untouchable V" and "Valkyrie," meet in a special two out of three match race at Mickey Thompson's Fontana International Dragway.

"Untouchable," Romeo Palamides' powerful creation from San Francisco, has reached a speed of more than 220 m.p.h. from a standing start in a quarter mile and in less than 7.5 seconds.

Palamides is just returning from a tour of eastern drag strips with the Untouchable, where they defeated everything in sight including two other jet cars.

Valkyrie, driven by Gary Gabelich of Long Beach, has a run of 218 m.p.h. in 7. seconds and a perfect record in match race competition, having defeated all comers over a two year period including the Untouchable IV last year.

Both cars are equipped with afterburners giving them about 6,000 pounds of thrust and some 10,000 horsepower.

To see these two huge belching flame and roaring down the strip at the same time should be better than a Fourth of July sky rocket display.

The regular drag racing program with more than 30 dragsters competing in top eliminator will be held as usual starting at 7 p.m. Qualifying begins at 1 p.m.

Nearly 400 cars will compete in the overall program at the Fontana strip which is located on Foothill Blvd. just east of Etiwanda Avenue.

Smith Participates In Reserve Duty

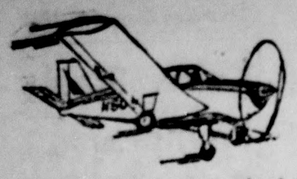

Specialist James H. mith of Upland is currently attending two weeks of annual active duty with the 427th Civil Affairs Reserve Unit of Las Vegas, Nev.

The unit is training at Camp Roberts.

Their training will include tactical courses, drills, participation in field maneuvers, and command post exercises.

The training is expected to continue through Aug. 23.

Cable Airport Continues Strong Battle for Existence

The battle for the preservation of Cable Airport on the edge of Upland at 13th and Benson continues at a high pitch.

Airport owner-operator Dewey Cable continues to attend Upland City Council and Planning Commission meetings in an attempt to discourage residential zoning around the airport.

Organizations and individuals from Upland and surrounding communities are overwhelmingly in support of doing everything possible to retain the airport.

A recent letter, however, presented to the City Council at the Aug. 18 meeting, urged the closing of the airport.

This letter follows along with an answer written by Dewey Cable and other correspondence supporting Cable's stand.

Aug. 7, 1964

City of Upland
City Council
Upland, Calif.
Gentlemen:

Regarding the "Cable Airport"

Our family and neighbors have noticed with a great deal of interest the reports in the newspapers regarding the Cable Airport.

We wish to urge you to do all possible to bring about a closing of this airport. This we do know will take some time, perhaps a year or two, so to start now would be the right thing to do.

This airport is no longer "Out in the sticks" it is now right in the middle of the most desirable area suitable for high class residential develop ment in or near Upland, Montclair and Claremont.

Like other enterprises suitable for open country such as farming, citrus groves and chicken farms, this airport too must yield.

This airport serves those people who can well afford the high cost sport and pleasure and that is their right, but they must now seek another area for their sport. They do disregard the rights of other people. Many of them do fly too low and the noise from their planes exhaust is too much. Should a person drive an automobile on the streets making half the noise the police would quickly have him stopped.

Many of the people flying out of this airport do no more than "Hot Rod in the sky." They should find an area in and over the desert for their Hot Rod Flying.

We notice the Pomona Junior Chamber of Commerce urges you safegard this airport. Could it be these same people have aircraft based at this airport and are concerned about their own interests.

You are urged to do all possible to close this airport. Free this area for residential use which will build a better community.

Yours truly
James Barr

Claremont, California.

Since a copy of Mr. Barr's letter was sent to Cable Airport, Dewey Cable answered the objections with the following reply:

* * *

Aug. 12, 1964

Mr. James Barr
376 Rockford Drive
Claremont, California.
Dear Sir:

Your very interesting letter, or I should say copy, to the Upland City Council was, I am sure, sincere. With equal sincerity I would like to answer, not on behalf of Cable Airport, which I assume you desire, but in the interest of our tri-city area, its general growth, its diversified economic increase, and the overall sophistication of this entire community.

First of all your letter erroniously is based upon the possibility that Cable Airport is a play ground for hot-rod pilots to fly and make noise. Please be aware, Mr. Barr, that aviation is one of the fastest growing forms of transportation in the United States. By using the runway at Cable Airport we are allowing executives of many local corporations to commute to other areas to promote and sell our local products. A glance at any newspaper will tell you that the most important people in these United States are using general aviation to expedite the transportation of personnel and freight.

Secondly, I would like to point out that those persons living close to the freeways and railroad tracks (also in our local area) would be glad to trade places noise-wise.

Your third point, equally erronious, would indicate by the "hot-rod" reference that you are accusing the pilots of Cable Airport of flying low in residential areas May I point out that this is illegal and you are protected from this by law. This condition is policed and supervised by a group of the most dedicated people in the United States, the Federal Aviation Agency. Several of these men live in your very neighborhood.

In closing, Mr. Barr, I would like to say that it is possible to exist without an airport. We could get by without our freeways and could cause the railroads to reroute away from our area We would. Mr. Barr, indeed have a quiet place to live.

Very truly yours,
Dewey Cable
Cable Airport, Inc.

Other letters have been received by the Upland City Council favoring the retention of Cable Airport. Two such letters follow:

Aug. 13, 1964

Upland City Council
Upland City Hall
177 D Street
Upland, California
Gentlemen:

Since I was born and reared in Upland and my parents and other relatives still live there, I hope you will not regard me as an outsider butting in when value of Cable airport to the entire community.

I am particularly conscious of this because I flew down last week end for a brief visit with my parents. Although this was not a business trip I managed to make incidental purchases of $14.18 in downtown Upland, in addition to approximately $10 for gasoline and tie down at the airport. In addition I discovered that Roy's Bicycle Shop has access to an engine I want, so that I am arranging for a $79.95 purchase through that shop. I am sure that air travelers account for a considerable amount of motel and restaurant business as well as general retail merchandise sales in the course of a year.

When I left Tuesday morning, Cable Airport was the only one in the Los Angeles basin with enough visibility for non-instrument flying. This is frequently the case, with the result that Cable Airport serves a large part of southern California, and people who live in other cities keep their planes there.

In Redding the value of aviation is widely appreciated. The chamber of commerce has traced hundreds of thousands of dollars of retail sales, service business and hotel and restaurant busines to private aviation. Recently the people of the city voted not only to retain a city owned, close in airport, but to spend $84,000 on improvements to it.

While Upland may not be asked to spend money on Cable Airport, it is properly being asked to maintain suitable zoning to prevent it from being killed off by incompatible encroachments.

Yours sincerely,
Paul C. Bodenhamer

Hon. Max Hawkins
Mayor
Municipal Building
Upland, California
My dear Mayor:

A substantial number of the aircraft owners and users identified with this 102,000-member organization reside in California and adjoining states. Many reside in your city and the growing residential, cultural or industrial communities of the adjacent area. These users of aircraft for modern personal and business transportation have long considered Cable Airport to be your city's welcome mat for air age travelers — many connected with the industries which provide local payrolls.

We are deeply disturbed about the reports which indicate that business elements in your city do not understand the essential nature of this airport to the progress of Upland. A report released early this year by the Federal Aviation Agency has provided documented cases where the existence or non-existence of adequate airport facilities has been the controlling factor in commerce or industry decisions to move into or out of a community. This report has made very clear a direct relationship of business use of aircraft to the economy of any community.

We strongly urge that you and the Upland City Council protect Cable Airport — at least until you can thoroughly explore the amount of dollars its business and tourist or recreational users are pouring into local trade and tax channels. To lose an existing airport in the 1960's is a very serious matter.

You will find enclosed several past copies of the AOPA Airport Letter which provide helpful information for municipal or county officials.

Please call us collect if we can be helpful. Thousands of our members will have to make disturbing travel route changes if Cable Airport is dropped from the nation's growing system of airports.

Sincerely yours,
C. C. Thompson
Aircraft Owners and
Pilots Association
Washington, D.C.

Both the Upland and Claremont Chambers of Commerce have issued statements favoring the safeguard of Cable Airport. Following is a resolution adopted by the Upland Chamber and a letter from the Claremont Chamber urging the city to protect the airport:

* * *

The Upland Chamber of Commerce presents to the City Council the following resolution:

WHEREAS, it has been known by the Upland Chamber of Commerce that the Cable Airport in Upland, California, has been established for a long time at its present location knowing that the present zoning is non-compatible, and

WHEREAS, the Upland Chamber of Commerce recognizes the necessity of an airport to be near this city for our economic survival of the present day community climate, and

WHEREAS, the loss of such an airport as Cable Airport in Upland, California, has caused havoc to private and charter air transportation in many businesses. and

WHEREAS, the foreseeability of the importance of aviation to our community is self-evident, and

WHEREAS, proper compatible zoning would alleviate any possible complaints pertaining to noise, altitude restrictions, and problems concerning Federal Aviation Administration regulations, and

WHEREAS, proper compatible zoning would not endanger the value of any property concerned, and

WHEREAS, the Upland Chamber of Commerce recognizes the difficulties in a problem of this type, and

WHEREAS, it has witnessed a slow erosion of such airports adjacent to cities in the state of California, and

WHEREAS, it is the wishes of the Upland Chamber of Commerce for the City Council to give the problem of noncompatible zoning due consideration for the salvation of the Cable Airport located in Upland, California,

BE IT THEREFORE KNOWN that the Upland Chamber of Commerce urges all citizens to encourage the Upland City Council, Planning Commission, and City Managers Office should take all steps necessary to safeguard and protect the Cable Airport in Upland for the economic factors it has for the City of Upland and the cities in the entire Pomona Valley.

City Council
Upland, California

The Industrial Committee of the Claremont Chamber of Commerce feels there is a great need for Cable Airport in its present location.

The Claremont Chamber would like to go along with the Pomona Junior Chamber of Commerce in protesting any development which would interfere with the pattern of the present airport.

We know that Cable is really necessary for the many private planes in the area at the present time, and will be even more necessary in the future, as the number of owners increases with the anticipated development of this part of the Valley.

Anything which we lose is usually never replaced and we would hate to lose Cable Airport.

AN EDITORIAL

Caution, Study Required Before Going Underground

Utility lines underground!

This, apparently, is the wish of the Upland City Council. Our city fathers want Upland to be beautiful . . . progressive, and we certainly agree with them for this thinking.

However, we don't believe the time is 'ripe' for the "emergency" passing of an ordinance REQUIRING that all electric and telephone cables be buried . . . not until the entire proposed program is carefully studied and thought-out completely.

The Street and Light Committee, headed by Councilman Abner Haldeman, presented a fairly lengthy report to the Council and estimated the cost of burying the utility lines at $137 to $500 per lot. Consensus of builders and developers seems to be that the latter figure would likely be the average.

The proposed ordinance presented at the last Council meeting dropped the idea on the Council and the people with little preparation other than a recommendation from the Street and Light Committee that such an ordinance be considered.

Councilman Ronald Rossitter, intent on this 'beautifying' scheme, wanted the ordinance passed immediately as an "emergency" . . . . really, now! This would be as much of an "emergency" as passing an ordinance to keep sidewalks swept.

* * *

There also exists the possibility that the cost of underground utilities will be subtracted from the quality of the buildings. We're sure no one wants this.

Upland can still take the lead, as suggested, in recognizing the eventual need for underground utilities, but such a mandatory ordinance calls for caution and more study.

It is admitted that there has been very little experience locally in the installation of underground utilities. This alone should guide the Council to consider the proposal carefully.

Cost figures should be developed on a strictly local basis and the entire program reviewed with professional planning guidance.

A permissive ordinance, rather than a mandatory one, could be the immediate answer with the mandate following when each problem connected with underground utilities is answered.

To quote Councilman James L. Christensen when he suggested additional study: "Let's not bury Upland with it."

We recognize the esthetic value of the proposal and believe Upland can "show the way." We would like to see the eventual disappearance of the ugly overhead lines and poles that clutter the area and we must start somewhere.

Now is the time to get started, but not to push an ordinance through without due study and consideration.

New City Booklet Prepared by Clerk

A new booklet for the benefit of Upland citizens has been prepared by City Clerk Bonita Hunt and made its initial appearance at the Aug. 18 Council meeting.

The booklet gives pertinent information on the operation of Upland city government including the names and table positions of city officials.

Since the information should be of great interest to all Uplanders as "interested citizens, participants in the proceedings, or a guest or student of government" the booklet is reprinted herewith:

GENERAL CITY AND COUNCIL INFORMATION

The City of Upland was incorporated in May, 1906. Growth has been steady.

Census 1950 — 9,316; 1960 — 15,918; 1964 (est.) — 26,230.

The City operates under the Council-Manager form of government. Five Councilmen are elected for a four-year term, and the members elect one member to serve as Mayor and another as Mayor pro tem. As the legislative body, the Council enacts the laws and establishes the policies which govern the activities of the City.

The City Manager, appointed by the Council, enforces the laws and carries out the policies through various city departments. He also makes recommendations to the Council on legislation, finances, capital improvements and other City policies.

The City Clerk, elected for a four-year term, is the official recording and corresponding secretary of the Council. She is election officer and custodian of the official records and documents and the City Seal.

The City Treasurer, also elected for a four-year term, is custodian of all funds and securities of the City.

The City Attorney, appointed by the Council, serves as legal adviser to the Council and other City officials, and represents the City in all legal actions. He also prepares proposed ordinances, resolutions and other legal documents.

Meetings are held on first and third Tuesdays at 7:30 p.m.

ORDER OF BUSINESS

The business of the Council is usually conducted in the following order:

Flag salute and invocation
Roll call
Approval of Minutes
Hearings, bids, and petitions
Written Communications
Oral Communications
Items of business
Planning Commission recommendations
Old, new business
Council Committee reports
City Manager items
City Attorney items
Approval of invoice and warrant register

BRINGING MATTERS BEFORE THE COUNCIL

Anyone wishing to have a matter included on the agenda should contact the City Clerk by noon of the Thursday preceding the Council meeting.

Any person wishing to address the Council should secure permission of the Mayor at the time the matter is under discussion by the Council.

Under the heading of "Oral Communications," interested taxpayers, citizens or their legal representative may address the Council on any matter concerning the business of the City.

When addressing the Council, please give your name and address.

Nisbet Reports

By State Senator
Eugene Nisbet
San Bernardino County

The bitter battle over water seems certain to head into another round at our 1965 session. Though the forces concerned may line up differently than they did in 1959 and 1960, it is likely that emotions will boil just as violently as they did then, when our California water development program was painfully hammered into existence by opposing north-south forces.

Testimony at a recent joint meeting of the Senate and Assembly Water Committees tossed a figurative lighted bomb in front of members present. The meeting had been called to consider the revision of the Pacific Southwest Water Plan prepared by the U.S. Department of the Interior. Discussion had veered around to the effect on California of the 1962 U.S. Supreme Court decision, which limits our rights to water from the Colorado River to 4.4 million acre feet for a maximum period of twenty-five years.

Spokesmen for the state Department of Water Resources and the special unit of the Attorney General's office on the lengthy litigation over those rights informed the group that they feel our state had received about as much as could be hoped for in the decision, and that further attempts to get rights to more water should be abandoned.

These expressions of opinion brought wrathful comments from members of both committees, to the effect that the Legislature must still be consulted before such conclusions are reached. It was indicated that the Legislature should officially support the bill introduced by our two U.S. Senators, which would make our rights to the water permanent, instead of limited to twenty-five years.

There was a moment of stunned silence when the spokesman for the Department of Water Resources remarked that the state now has the legal power to condemn existing rights to water and could, by exercising them, make water available for export to Arizona. "Oh, no, no!" cried an Assembly committee member.

A veteran member of the Senate Water Committee said forcefully, "This is the first time in all my years on water committees that this admission has been made. Never once has it been advanced that we would be developing the waters of California for export out of state."

When the Senator questioned this spokesman further, he was told that the situation is the same as when people are thrown out of house and home for new freeway routes. "If we can take a man's home or farm we can, in the case of necessity, take his water rights."

The State Resources Administrator spoke up from the audience to hastily assure the committees that the state would not condemn water rights of Californians without the approval of the Legislature. He said that there is no intent on the part of the state administration to condemn rights in an area of origin for export to another area.

The combined committees directed that an official letter on their behalf be sent to the Governor, asking him whether the statements made by the Department spokesman do reflect the attitude of the administration.

Thunder clouds still pile up on this legislative horizon. In a press conference after the meeting, the Governor indicated he feels that California must make concession to Arizona because of the Court ruling.

Upland Couple Buy Cleaners

Mr. and Mrs. R. A. Freeland, residents of Upland for the past 10 years, have purchased the ownership of Hunt's Cleaners at 238 N. 2nd Ave., Upland.

Mrs. Freeland was previously employed by Dunn's Re-Weave Shop of Upland for two years. She specializes in alterations and tailoring.

The new owners plan to undertake a remodeling of the establishment beginning in two weeks, but plan no new name for the firm.

Grandmother Club Seeks Charter

On Aug. 19, the Grand Capers Grandmothers Club held its second meeting at the home of Mrs. Aimer Maxie, Upland.

The minutes of the first meeting were read with the following having been installed as officers: Mrs. Aimer Maxie, President; Mrs. George Houston, Vice-president; Mrs. James Adkison, Secretary; and Mrs. Ervin B. Maxie, Treasurer.

A Luncheon was planned on Sept. 2, at the smorgasbord at Griswolds in Claremont. The regular monthly meetings will be held on the third Thursday

Application has been made to the "National Federation of Grandmother Clubs of Amer[illegible] for a Charter.

Hearing Slated On Cucamonga Hospital Site

A hearing on a location and development plan for construction of a 150 bed convalescent Hospital in Cucamonga, has been filed with the San Bernardino Planning Commission by Frank D. Morris. Morris' opertitin requests that an O.K. be given to build the hospital on a piece of property, located on San Bernardino Rd. at its intersection with Foothill Blvd. in the Red Hill area.

The hospital would be within a C-1 (Neighborhood Business) and R-3 (Multiple Family residence) zone.

The commission will hear the request at 10 a.m., Thursday, Sept. 3, in Planning Commission Chambers, 316 Mt. View, San Bernardino.

Persons owning property affected by the proceedings may appear at this time and be heard in support or opposition of the proposal.

YMCA Group on River Trip

Twenty six boys and leaders from the Upland - Ontario Y.M.C.A. with fun and adventure in mind left Thursday Aug. 20 for a trip down the Salmon River in Idaho. The group will travel from Ontario to Shoup, Idaho where they will board Navy assault boats for six days down the Salmon River.

They will come out of the river at Riggens, Idaho, travel to Boise and Twin Falls, Idaho and return to Ontario Saturday, Sept. 29. Bill Wolfe of Upland High School is in charge of the trip.

The following boys and leaders are making the trip.

Robin Brown, Matt Deal, Vic Dominick, Robert Ellingwood, Dave Goldhamer, Doug Hulbert, Howard Hunt, Russell Hunt, Raymond Lane, Jim Lee, Michael Lee, Richard Millet, Michael Murphy, Bill Palmer, Bob Patzold, Wayne Pence, John Porter, Daniel Potts, Benny Serna, Jim Smith, William Uber, Rod Wheeler, Ken Whitten, Christopher Wilde, Bill Wolfe and Bob Wolfe.

prescribing a general and lasting rule for persons or things within the City boundaries. Two readings of the ordinance at separate meetings are required, after which it is published. The ordinance becomes effective thirty days after the second reading. An ordinance may be amended or repealed only by a subsequent ordinance.

RESOLUTIONS—

A resolution may be passed expressing the policy of the Council or directing certain types of administrative action such as letting of contracts, street and highway improvement, and approving routine actions. It requires one reading and may be changed by a subsequent resolution.

MOTIONS—

A motion is ordinarily used to indicate majority approval of a procedural action and usually authorizes the disposition of items of business on the agenda.

After a motion is made, it is passed if there are no objections. A "no" or abstaining vote must be stated; silence is assumed to be a "yes" vote.

COMMITTEES

Interested persons are urged to attend meetings of the various committees to learn, at first hand, the important work they perform in making studies and preparing recommendations for Council consideration.

Notices of any meetings are posted on the Bulletin Board near the door to the Council Chambers.

The following Commttiese report their findings to the Council: Finance and Budget, Park and Recreation, Police and Fire, Street and Light, Water and Sewage.

The Planning Commission meets on the fourth Thursday of each month at 7:30 p.m. in the Council Chambers.

Smaller Residential Lots Approved in Alta Loma Area

(CNS) — A zone change to allow residences on smaller lots in the Alta Loma area was approved Thursday, Aug. 13, by the County Planning Commission.

The acton followed by only two days a change in the Chaffey College Community Master Plan by the County Board of Supervisors, but Commissioner J. H. Paterson accused his fellow commissioners of going further in the smaller lots than Supervisors intended.

Paterson voted against the motion to grant zoning to allow homes on 10,000 and 12,000 square feet of area, compared with the 20,000 square feet needed until now for a building site.

Applicants for the rezoning were Eugene G. Nisbet and Keith Koehler. Their property consists of 80 acres on the north side of Orange St., between arnelian and Sapphire Streets.

The master plan for the area has been under debate for almost a year, before both the planning commission and the Board of Supervisors. Most residents and property owners asked for continuance of the whole Chaffey College community as a low density residential area.

But some property owners and land developers asked for smaller lots in the part of the community just north of the proposed Highland Avenue freeway.

After a number of hearings and then postponements of action, Supervisors Tuesday approved a change in the master plan to increase the residential density from 19th Street to an uncertain line between Orange and Banyan St. Average density in this area should be four units per acre, compared with the previous 2.6 per units, the Board decided.

Under the direction of Supervisor Daniel D. Mikesell, who represents that section of the county, the Board agreed that the same 2.6 units residential density should exist on both sides of Banyan, and that the increase from 19th should be in gradual stages.

It was stated that this "transitional area" would result in lots of 8,500 square feet at 19th and lots of 15,000 square feet just south of Banyan.

Compared with previous meetings where the master plan was under discussion, there were few of those in protest present Tuesday.

But Joe Carrari said those in opposition were still opposed. He complained that changing the master plan still left it up in the air as to what the actual results would be in zoning.

To a suggestion that residents should appeal to the planning commission, Carrari responded: "The commission doesn't pay much attention to land owners."

Ralph Miller, Upland real estate man, and Koehler, accepted the Supervisors' action as a "compromise" that should satisfy both sides.

In making the master plan change, the Board directed the planning commission to consider lot widths larger than the present 60-foot minimum when recommending zone changes.

Then, on Thursday, the first commission agenda item was the request of Nisbet and Koehler for zoning for lots smaller than the previously required 20,000 square feet.

Leon Keding, of the planning department staff, told commissioners that his recommendation, following the Supervisors' action, was that the Nisbet-Koehler land be zoned for lots of 12,000 square feet in the southern portion and of 15,000 square feet nearer the Banyan Street limit.

Miller, speaking for the applicants, said their original request had been for 7,200 square-foot lots but that they had changed this to 10,000 square feet. He added that the proposed 15,000 square feet for some lots was unacceptable.

The real estate man also said that his suggestions must be acceptable to local residents, for none of those previously against any change of zone was present in the audience.

The Nisbet-Koehler application has been before the planning commission since last November. Action was delayed awaiting a decision on the master plan, and Koehler asked the commission to take action, so he and Nisbet could complete the contract they had made to sell the land for development.

Keding said the master plan change approved by Supervisors would mean an average lot size of 11,500 square feet. He explained this would have to be accomplished by lots of 8,500 square feet south of the freeway and larger lots going north, until they were 15,000 square feet some distance south of Banyan.

Commissioner Paterson said this would be accomplished by voting the 12,000-15,000 square-foot lots recommended by the staff. He made a motion for this, but his motion was not seconded.

Commissioner John Littleton then moved for 10,000 square foot lots on the south and 12,000 square foot lots to the north, and this carried, with only Paterson voting against it.

Miller said this zoning was the least that could be accepted. He also accepted street frontage for all the lots of 80 feet.

After Paterson complained that the commission was not sticking to the master plan, as just amended by Supervisors, both Koehler and Miller praised commissioners for their patience and understanding during the many months the master plan and the zoning was under consideration.
